Spring 2018

From your Pastor

Dear Members and Friends,

Well, it was beginning to look like Spring would never arrive. But it's finally here. All at once there is an explosion of color; yellow daffodils, forsythia, purple tulips, red and white buds on the trees, and the grasses are getting greener and growing and growing and growing!!!! What an impressive display.

It reminds me though of a Parable Jesus told in Luke 13 about a fig tree that looked beautiful with its buds and leaves but produced no fruit. The owner wanted it cut down and replaced but the gardener said let me give it some special treatment this year. If nothing changes by next Spring, I will remove it. Let's give it one more chance to bear fruit.

There are sadly many in the world that are like that fig tree. They look good, act good but bear no fruit. Jesus, the owner is not at all interested in glitz, glamor and impressive displays. He is looking for lives that touch others, lives that help others, and lives that make a positive impact in this world. You may be asking yourself right about now, "where is he going with this?" Well I just want you to know how pleased I am with you. And how proud I am at how you, as one voice, continue to rise up and help with every need that comes to us. From helping Safe Haven, to the Ashland Pregnancy Care Center and everything in between, you selflessly respond to God's call to be there with love, compassion and aid.

And I feel that Jesus, the owner, is not saying to us well done, but encouraging us to keep planting, keep pruning, and keep on bearing his fruit.

In His peace,
Rich

AFTER SCHOOL Program

Our After School program is coming to a close for this school year. We thank everyone who brought snacks this year. We especially thank Nate Whitmer, Emma Gearhart, Shawn Brady and Peter Zimmerman for taking their time to help these students with their homework and just interacting with them. They don't always realize what this connection means to them.

Just a reminder!

As a reminder, we are now locking our two doors at the south end of the church during our service on Sunday morning. You will need to use the sanctuary entrance if you arrive after 10:30.

AFTER SCHOOL PROGRAM

(Pictured with Pastor Rich is Mona Campbell of the Samaritan Foundation)

The Samaritan Hospital Foundation provided a grant to help support our after school program. For the past four years, our church has provided an after-school program for middle school students of Ashland. We work closely with the guidance department to select students who might benefit from the program. Every Wednesday during the school year, our church offers a safe friendly environment for students (with their family's consent) to come and interact with others, but also to be themselves. Many of the activities offered, such as art, baking, fun science and engineering projects, are designed to improve life skills and promote teamwork. This year Nate Whitmer, Peter Zimmerman, Emma Gearhart and Shawn Brady volunteered their time each Wednesday.

Ben Garrett, owner of Master Minds entertained everyone with his card games.

We made two trips to The Tin Chandelier here in Ashland where the young people painted craft items.

Emma Gearhart also interacts with the students.

Abby, our AU student Volunteer

We love pizza!!

Peter & Nate will be missed!

What's Happening!!

We are always doing something in the community.
Your response is greatly appreciated!

We continue our worship services the first Sunday of each month at Belmont Tower. The residents love Rich's message and of course love Brian as he plays the piano and leads the singing. Communion is served at each visit. It is heart warming to see how happy, blessed and **thankful** they are. You might want to come and join us some Sunday and feel the **love!**

+ + + + +

During the month of March we participated in The Baby Bottle Campaign through the Ashland Care Center. We passed out 30 bottles and asked that they be filled with our loose change and returned by Easter Sunday. We filled the 30 bottles with **\$865.30 !!**

For the first two weeks in May we collected Baby Diapers and Baby wipes for the Ashland Pregnancy Center. You can see our response has been awesome and we have a week to go!!

Sharing Opportunity!

Again on the 25th of May the 7th grade classes at the Ashland Middle School will be using our church for their "life skills" classes. Each student will be bringing in an item for the Ashland Pregnancy Center. You might want to drop in and see these students at work. They will be cooking, sewing, learning about banking and other skills too.
